

**Wolmer's Boys School
Class of 1980
School Fundraising**

Supporting our beloved alma mater and one of the premier educational institutions in the Caribbean.

Our goal is to raise money for school improvement projects, including the purchase or upgrading of equipment, classroom and facility renovations, and school teams/clubs sponsorship.

The members of the Wolmer's Boys School Class of 1980 are leading this effort as part of our commitment to "Come Back and Give Back" to our school and its rich history of providing the best education possible to the young men of Jamaica.

WE NEED YOUR HELP!
